# **Course Description**

Economics is the study of how people make choices in the face of scarce resources. This course focuses on the market system as a framework for understanding economic decisions. We will examine how individuals and small groups make choices within markets and how these decisions influence the allocation of resources. We will also study the effects of government policies on market outcomes.

# **Learning Objectives**

By the end of this course, students should be able to:

- Define and identify in context important economic concepts such as opportunity cost, comparative advantage, market equilibrium, efficiency, elasticity, and externality.
- Identify the equilibrium of the supply and demand model and show how economic changes affect the equilibrium.
- Explain the impact price controls, taxes, and subsidies have on a market.
- State the major sources of inefficiency in a market.
- Distinguish among the four major types of industrial market structures.

Moreover, as a Core FSU Social Sciences Course, students will also meet the goals of Social Sciences competencies:

- Discuss the role of social or historical factors in contemporary problems or personal experiences.
- Analyze claims about social or historical phenomenon.

### Grading

Final grades will be based on two exams (a midterm and a final), quizzes primarily administered through Canvas, and the Core FSU assignments.

#### **Grading Breakdown**

#### **Exams**

There will be two exams in this course, namely a midterm and (cumulative) final. Each exam is worth 25% of the final grade and will take place during regular class time. Exams are based on content covered both in readings and lectures.

#### **Exam Policies**

- No use of electronic devices is allowed during exams. If a student uses any device (cell phone, smart watch, headphones, etc.) during an exam, they will automatically receive a zero on that exam.
- The use of any calculator not provided by the instructor is not allowed. The instructor will provide calculators for all students to use on exam days.
- All exams will take place in our regular classroom and at regular class times. Each will be closed book with no notes allowed.
- No student is allowed to begin their exam once a single student has handed theirs in for submission.

#### **Makeup Exam Policy**

Makeup exams will only be permitted if you provide an official excuse from Case Management Services, which addresses prolonged illnesses, deaths of friends or family members, or other significant circumstances. If approved, makeup exams must be scheduled directly with me and completed within one week of the midterm. Should you miss the midterm, have an official excuse from Case Management, and are unable to complete a makeup exam, the midterm's weight will automatically transfer to the final exam, increasing its weight to 50% of your overall course grade. Students may choose not to take the midterm and shift the weight from the midterm to the final if they notify the instructor (by email) by 11:59pm on the Friday of the first week of class. Students who miss the midterm or final without an official excuse from Case Management (and didn't notify the instructor about missing the midterm during the first week of class) will earn a zero on said exam.

As for the final exam, according to FSU policy, the following are the only valid reasons for requesting a makeup: (1) Three or more final exams within a 24-hour period around our exam; (2) Another exam scheduled at the same time as our exam; (3) A documented medical emergency; (4) Some other documented extraordinary event. If one of these applies to you, you must see me as soon as possible to schedule another time to take the exam.

However, clear and prompt communication is crucial. Should unexpected or emergency situations arise, contacting me immediately will enable us to collaboratively identify suitable solutions.

#### Quizzes

This course will have (roughly) semi-weekly quizzes beginning in the second week of the semester. These quizzes will be administered through Canvas (except for Quiz 9), and will be posted at least two days before the due date and are due by 11:59pm of the date shown on the schedule. Students are allowed three attempts on quizzes, of which only their highest score will count. Quizzes will primarily cover recent material, though they may include any content discussed in lectures or the textbook up to that point. Of the ten quizzes, only the quizzes with the highest eight grades will count towards a student's final grade.

Quizzes will not be eligible for makeup unless documented evidence confirms you were physically unable to complete them for the entire period they were available. Situations such as becoming ill or encountering extraordinary events within 24 hours of an assignment's due date will not qualify for makeup consideration if sufficient time (e.g., several days) was available earlier in the submission period. Additionally, technical issues, such as internet outages or malfunctioning devices, are not valid reasons for requesting or receiving a makeup.

#### Extra Credit

In an effort to be equal to all students, no extra credit will be given under any circumstances nor will grades be rounded beyond the 0.5 threshold specified in the grading scale. For example, a score of 89.49 will earn a B+ whereas a 89.50 will earn an A-.

## **Schedule**

### **University Policies**

#### **University Attendance Policy**

Excused absences include documented illness, deaths in the family, and other documented crises, call to active military duty or jury duty, religious holy days, and official University activities. These absences will be accommodated in a way that does not arbitrarily penalize students who have a valid written excuse. Consideration will also be given to students whose dependent children experience serious illness.

#### **Academic Honor Policy**

The Florida State University Academic Honor Policy outlines the University's expectations for the integrity of student's academic work, the procedures for resolving alleged violations of those expectations, and the rights and responsibilities of students and faculty members throughout the process. Students are responsible for reading the Academic Honor Policy and for living up to their pledge to ". . . be honest and truthful and . . . [to] strive for personal and institutional integrity at Florida State University." (Florida State University Academic Honor Policy, found at http://fda.fsu.edu/academic-resources/academic-integrity-and-grievances/academic-honor-policy)

Please note that instructors are not allowed to provide classroom accommodations to a student until appropriate verification from the Office of Accessibility Services has been provided. #### **Statement for Classes Subject to HB233 Recording**

In this class, consistent with state law and university policy, students are permitted to make recordings of class lectures for personal use only. As noted, sharing, posting, or publishing classroom recordings may subject you to honor code violations and legal penalties associated with theft of intellectual property and violations of other state laws. Moreover, students and educators have expressed concern that recording classroom activities may negatively impact the learning experience for others, especially in classes that involve questions, discussion, or participation. To protect a learning environment in which everyone feels free to experiment with ideas, we ask you to refrain from recording in ways that could make others feel reluctant to ask questions, explore new ideas, or otherwise participate in class. Students must monitor their recordings so that they do not include participation by other students without permission. Students with disabilities will continue to have appropriate accommodations for recordings as established by the Office of Accessibility Services.
